

# Join the Together Campaign

## Action

**Monday, July 23 in the Worship Room**

6:30 pm Vigil to remember those in solitary confinement followed by a screening and discussion of the video, *Tim Wise: On White Privilege Racism, White Denial & the Costs of Inequality*

In this spellbinding lecture, Tim Wise, the author of the bestselling *White Like Me: Reflections on Race from a Privileged Son*, offers a powerful inside-out look at race and racism in America, surveying the damage white privilege has done not only to people of color, but to white people themselves.
